HANDING HVAC

COMPANY INTRODUCTION

Handing is a professional manufacturer and exporter of HVAC products. Our company is a joint-venture established by three different factories with two sales branches in Milan and Yuhuan. Our main business is selling the heating line products, including manifold, mix water system, filter, safety valve set, radiator valve, radiator fittings, hose and so on. We guarantee the perfect balance between the best possible price with the best quality required in western market! At the same time, we search some other products for our customers also. We have 12 years experience in international market, include Russia, Ukraine, German, Poland, Italy, Argentina and many other countries.

Handing является профессиональным производителем и экспортером климатической продукции. Наша компания является совместным предприятием, состоящим из 3-х различных заводов и 2-х отделов продаж, первый отдел продаж в Юйхуане и второй в Милане, Италия. Основным направлением нашей деятельности является продажа продукции HVAC, в том числе коллекторы для водоснабжения, системы смешивания воды, фильтры, комплекты предохранительных клапанов, радиаторные клапаны, аксессуары для радиаторов, шланги и другие продукты. Мы гарантируем идеальный баланс между ценой и качеством для европейского рынка. Мы также предоставляем услуги поиска других товаров для своих клиентов. У нас 12-летний опыт международной торговли, наша продукция экспортируется в Россию, Украину, Германию, Польшу, Италию, Аргентину и другие страны.
